7.4 Public safety

Resident surveys conducted showed that residents were very satisfied with the quality and response times of police and fire

This project was prepared with the assistance of planning committees and representatives of underlying local government jurisdictions. An overview committee made up of representatives from each of the local committees and County level representatives was formed to represent the broader scope of the study.

- **I do think the identity is lost to a degree. I feel like I'm always explaining the borders to people**

- We left Painesville to get away from the growing “Spanish” culture that seemed to be taking over. Now that culture is moving to this area also.
- Too much traffic.
- There’s a disgraceful, huge house on W. Jackson St.
